V.A.Zharikov

**EXPERIMENT IN GEOSCIENCES** is the only journal in English that gives you the latest, most reliable information on advances in experimental mineralogy, petrology, geochemistry, crystallography and geophysics in Russia. The coverage of the journal includes:

- original research and review articles
- abstracts of scientific papers
- proceedings, abstracts and announcements of national and international conferences, symposia and workshops
- information about the leading experimental centers in Russia
- advertisement of new techniques and equipment

Editor in Chief  
**Yu.B.Shapovalov**
